Comments
 Victim goes missing sometime in late March 2004. Daughter finds her body in trunk of victim's car on 4/15/04. Coroner's Report cites no cause of death and only states can not rule out homicide. DNA from a pubic hair found on victim's body matches def's. They have been long time friends. Def appears to have had romantic intentions toward victim but adamantly denies sexual contact. This is only evidence tying def to crime. There are other potential suspects. Insufficient evidence to prove beyond a reasonable doubt.
